

This is my transcription of the 1860 Census of West Buffalo Township, Union County, PA. It is still a work in progress and is subject to my errors and mis-interpretations. The last 3 sheets of the census are especially difficult to interpret. These sheets were obviously copied by a 2nd person who did not take the time or care that the 1st enumerator did. This 2nd person only entered initials for the given names and these initials are very hard to decipher. L's and S's and J's all seem to look alike. Hopefully this will ultimately be resolved.

1860 United States Federal Census
